Dear Parents / Carers,

Welcome to our St Chad's family, we are delighted that you have chosen to share your child's educational journey with us. I can assure you that our school family will do their very best to ensure that your child has a wonderful time at our school.

The Senior Leadership Team here at St Chad's comprises of myself, as Executive Head Teacher and Mrs Evans as Deputy Head Teacher. I am physically in St Chad's on a Tuesday and a Thursday, I am always contactable during the rest of the week should you need to speak to me. We always encourage our parents and carers to talk to us, openly, about anything that is causing them any concern. Please share your positives with us too!

Our reception team comprises of Mrs Bowtell, Miss Bell and Mrs Hebron. They are very excited to meet you all!

At this present time, we are unsure as to what the educational landscape will be in September. Details of our induction and dates for starting school can be found in the Parents Information Booklet. We will keep you fully updated of any developments. I must stress that these are our **current** plans. If COVID has taught us anything as educators it is that things change at the last minute!

In this pack, our reception team have assured me that you will find all of the relevant documents you need relating to your child starting school.

Please find the following documents attached:-

- Parent information booklet.
- Transition booklet containing photos of staff and key areas in the school.
- All about me- Transition booklet for parents to complete for school.
- Suggested activities to prepare for school- Learning Pack.
- A file of documents containing forms and information to complete. These must be returned before your child starts school, you can return them on the first day if you wish.
- An updated uniform policy.

In the meantime, please call 01388 603632 or email stchads@durhamlearning.net with any questions or concerns you may have.

With best wishes

Mrs Strachan
