Tuesday 5th January 2021

Dear Parents/ Carers,

We would like to say a massive thank you for your understanding and patience during this time.

Following the government's announcement last night for children to be taught remotely, we would like to inform you of our arrangements:

Children in Class 1 will be receiving learning packs via email on a Monday containing a week's worth of lessons. We will also be sending an example timetable to follow at home which mirrors what their school day would look like. We would really love to see your child's completed work. If you could email photographs/ copies of completed to admin@stchads.bhcet.org.uk, we would greatly appreciate it.

Children in Class 2 will be receiving learning packs via email on Mondays and Wednesdays containing half a week's worth of lessons. We will also be sending an example timetable to follow at home which mirrors what their school day would look like. We would really love to see your child's completed work. If you could email photographs/ copies of completed to admin@stchads.bhcet.org.uk, we would greatly appreciate it.

Children in Class 3 and 4 will be receiving learning packs this week (5th-8th January) containing this week's lessons but we are hoping to start live lessons using Microsoft Teams from Monday 11th January. We will also be sending an example timetable to follow at home which mirrors what their school day would look like.

Each week, the children will be receiving a phone call from a member of staff to discuss their learning and answer any questions they may have.

If you are unable to print off the learning packs at home, please get in touch with the school office via telephone or email and we can print them out for collection.

Many thanks,

Mrs K Evans
